Halloween

Halloween is the time of year you can be anything you want, this year I was a vampire. I went trick-or-treating with my friend Megan and her sister Haley. Megan was a pink lady, and Haley was agnes from despicable me. We went trick-or-treating in the Fruit Bowl and got candy. We went trick-or-treating in the Fruit Bowl because thats were Megans grandparents live.

We walked so much our feet hurt, then we went back to Megan's house. I was spending the night there. After we got our pajamas on we watched a movie, and had some candy. We didn't stay up late though. After the movie was over we got ready for bed. It was tiring walking around the Fruit Bowl with the steep hills, and driveways.

When we woke up the next day, Megans mom was busy in the kitchen making pancakes for breakfast. They were really good. For the next few hours we played board games and watched movies, until my mom and dad came to pick me up. I had a great time trick-or-treating with Megan and Haley, and I would do it again.
